

The family of

David Willis

Warmly invite you to the funeral at

Shirwell church, EX314JU
At 10am on the 31st December

Everyone welcome

We understand the date is difficult but we are hoping you can make it.

The village hall, which sits opposite the church will be open from 8.30am for refreshments and toilets.

Parking may be an issue as it is a very small village. The church car park is very small and reserved for family. We have sourced a few extra spaces on a nearby driveway that has been offered to us. Otherwise please park along the lanes.

The cremation committal is at 11.40 In Barnstaple crematorium, approximately a 20 minute drive from Shirwell. All are welcome.

The wake is held at Shirwell village hall. Those who wish not to attend the very short service at the crematorium are more than welcome to go straight to the village hall. We ask that if at all possible, you can wait until we are back from the cremation so we can spend time with you.

There will be a charity collection for Alzheimer's, in memory of his mother.
