

We are now able to confirm that John Lock's funeral will take place on Wednesday 18th January at 12:30 at St Edmunds, Dolton.

At Rosemary's request, a team of local ringers will be selected to ring before the service (no muffles), but afterwards will be open to any one, or team of ringers who wish to honour John's memory with the sound of the bells he loved. I am hoping we can keep the bells ringing across the village through the afternoon.

Thank you,

Roger Dunn
