

SOUTH BRENT RINGERS

Dear Tower Captain,

South Brent Ringers invite you to take part in their annual competition to be held on **Saturday 29th July 2023**.

Teams will compete for the Pat Johnstone Cup & 5 certificates.

The format of the competition will follow that used previously with regards to the order of ringing.

Five timed slots at 20-minute intervals will be available from 3.15pm and teams will be accepted on a first come first served basis.

At tea (4.45pm) a draw will be held for the remaining eight slots starting at 5.10pm. The last peal will be at 7.30pm with the results at 7.50pm.

The purpose of this is twofold, firstly to enable the tea ladies (and men) to be able to clear up earlier than it is possible to do with an all-timed competition and secondly to hopefully encourage more people to be present at the announcement of the results.

Teams must ring the peal 'Sixty on Thirds' including the rise and fall in not less than 15 minutes.

One ringer may be borrowed provided they do not ring Treble or Tenor. No ringer may ring more than twice.

Entrance fee £6 per team.

Unfortunately, practice cannot be facilitated.

The Judges' decision shall be final.

The Church Council and Ringers will not be responsible for any accident or loss that may occur.

Please feel free to extend this invitation to anyone you think may wish to attend.

Teas will be available in the Church. An indication of numbers requiring tea would be helpful.

To enter please reply with numbers for tea to;
